2009 International Symposium on Antennas and Propagation
ISAP 2009
October 20-23, 2009
The Imperial Queen’s Park Hotel, Bangkok, Thailand

Final Call for Papers

The 2009 International Symposium on Antennas and Propagation (ISAP 2009) will be held in Bangkok, Thailand, on October 20-23, 2009. This symposium will be organized and sponsored by the Electrical Engineering/ Electronics, Computer, Telecommunications and Information Technology (ECTI) Association of Thailand in cooperation with King Mongkut’s University of Technology North Bangkok (KMUTNB). The technical sponsors are IEICE, IEEE Antennas and Propagation Society, IEEE Geoscience and Remote Sensing Society, IEEE Communications Society, and IEEE MTT/Society. The local organizing committee includes Somsak Denchai, Publicity Chair; and Prayoot E, Vice Chair.

Paper Submission: Contributed papers are solicited describing original work in the fields of antennas, propagation and related topics. Suggested topics are listed in this call. In addition to regularly scheduled sessions for oral and poster presentations, there will be special sessions and tutorials. Authors are invited to submit original and unpublished research papers. Submitted manuscripts should not exceed 4 pages.

The instructions on paper preparation and online paper submission are available at www.isap09.org

Suggested Topics

Best Paper Awards

Papers presented at ISAP 2009 will be judged by the ISAP 2009 Award Committees, and the authors of selected papers will be awarded for the outstanding contributions in the banquet.

Student Paper Awards

Students are encouraged to submit their paper to the award by specifically applying during the paper submission. Only students can apply the Student Paper Awards as a first author of the paper, although co-authors may include non-student researchers. Students of selected papers will be awarded for the Student Paper Awards in the banquet.

IEICE Transactions on Communications announces that it will publish a special section entitled “Special Section on Advanced Technologies in Antennas and Propagation Conjunction with Main Topics of ISAP2009” in January 2010. The instructions on paper preparation and submission are available at www.isap09.org

Important Dates:

- Extended Paper Submission Deadline: June 20, 2009
- Extended Acceptance Notification: July 25, 2009
- Advanced Registration Deadline: August 15, 2009
